**Confidential minutes of the Transport Services Committee held on 19 June 2012
at 6 Middle Street, London EC1**

In that meeting it was resolved, under section 15(2)(b) of schedule 18 of the Greater London Authority Act 1999, that by reason of the confidential nature of the item(s) to be discussed, it was desirable in the public interest that the public should be excluded for this part of the meeting.

Minutes

1 Confidential minutes and matters arising

The confidential minutes of the Transport Services committee meeting held on 13 March 2012 were agreed and signed as a correct record. There were no matters arising.

2 Meeting review

Risk issues: Members considered whether the meeting had resulted in any reputational risks for the organisation. They agreed that the presentations had been interesting and that the response in relation to the Olympics preparation was very reassuring. The discussion about the Tramlink suggested that some complacency about the quality of the service remained and this should remain under review.

Press and Media opportunities: The visit to Exhibition Road had been useful but it was unfortunate that no camera had been available.
