

SWT's proposal

SWT propose to change the hours of 44 stations within the London TravelWatch area, of which 23 are within the Greater London Travelcard area.

Stations within the London Travelcard area. Listed below are the proposed changes on a station by station basis, plus alternative means of ticket purchase for passengers. Note that all stations would accept Oyster Pay As You Go from some point in 2009. However, at present South West Trains are not committed to retailing Oyster.
