Regional digitisation flyer

DL Flyer

The addition of the hand holding the phone gives visual intrigue and approachability to the communication.

The use of accent green creates a striking, single minded proposition.

Why book online?

-  **Save time queueing**
Arrive at the station with your tickets booked and ready to go.
-  **Get the best fares early**
Save over 50% when you book in advance. Plus, pay no booking fees at all.
-  **Stay in the know**
Get all the latest departure info, travel updates and platform numbers.

4 tips for getting started

- Try booking online at your own pace**
Visit [GWR.com](https://www.gwr.com/register) and start exploring – you'll soon see just how easy it can be.
- You can buy all your tickets online**
Including trips anywhere in Britain. Book well in advance for greater savings.
- Why not download the GWR app?**
Access live train info and buy tickets with your normal GWR email and password.
- Remember – there are free plug sockets on board**
So feel free to bring your charger with you for your phone or electronic devices.
